INDEPENDENT AUDITORS' REPORT

Board of Directors
Wave Hill Incorporated

We have audited the accompanying statements of financial position of **Wave Hill Incorporated** as of June 30, 2009 and 2008 and the related statements of activities, functional expenses and cash flows, for the years then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Wave Hill Incorporated as of June 30, 2009 and 2008 and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Wave Hill Incorporated ("Wave Hill") is a New York City cultural institution located in Riverdale, N.Y., whose mission is to celebrate the artistry and legacy of its gardens and landscapes, to preserve the magnificent views, and to explore human connections to the natural world through programs in horticulture, education and the arts. The organization is supported primarily through donor contributions, grants and The City of New York through the Department of Cultural Affairs.

Contributions

Contributions and grants are recognized when the donor makes a promise to give that is, In substance, unconditional. Wave Hill reports gifts of cash and other assets as restricted support if they are received with donor stipulations limiting the use of the donation. When a donor restriction expires, either through the passage of time or accomplishment of the restricted purpose, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Restricted assets received in the current period for which the terms of the restriction have been met, are recorded as unrestricted net assets in the accompanying Statement of Activities.

Gifts of long lived assets with explicit restrictions that specify how the assets are to be used are reported as restricted support.

Inventory

Inventory consists of books, calendars, apparel and other gift items. Inventory is valued at the lower of cost or market using the retail method.

Net Asset Classifications

Wave Hill reports information regarding its financial position and activities according to two classes of net assets: unrestricted and temporarily restricted.

- Unrestricted net assets are not restricted by donors, or the donor-imposed restrictions have been fulfilled.
- Temporarily restricted net assets are classified into two categories: operating and
 endowment. Temporarily restricted net assets-operating contains donor imposed
 restrictions that permit Wave Hill to use or expend the assets as specified by the
 donor. The restrictions are satisfied either by the passage of time or the
 accomplishment of purpose. Temporarily restricted net assets-endowment includes
 funds contributed by donors to the Board designated endowment fund and restricted
 as to purpose by the donors.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Improvements and Equipment

CapItal improvements and equipment are stated at cost. Depreciation is computed on the straight-line basis over the estimated useful lives of the assets which range from five to twenty years.

Donations of Marketable Securities and Works of Art

Wave Hill records donations of publicly traded securities at the fair market value at the date of the gift. Works of art are recorded at fair market value at the date of gift as determined by independent appraisal.

Income Taxes

Wave Hill is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Cash and Equivalents

Wave Hill considers cash and investments with a maturity of three months or less, at the time of purchase, as cash and equivalents.

Marketable and Other Securities

Marketable and other securities consist of publicly traded securities, limited partnership interests and other non-readily marketable investment vehicles. Investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value at the measurement date.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 - BUILDINGS, CAPITAL IMPROVEMENTS, EQUIPMENT AND EXPENDITURES BY THE CITY OF NEW YORK

The property known as Wave Hill is owned by The City of New York (the "City"). The City, through the Department of Cultural Affairs, supports the operations of Wave Hill through an annual appropriation. In addition, the City made direct payments to providers of heat and power in the amount of \$130,447 (2009) and \$118,293 (2008). The City directly contributed \$66,132 (2009) and \$63,031 (2008) for pension plan payments to the Cultural Institutions Retirement System and \$215,800 (2009) and \$181,200 (2008) for employee health insurance premiums. These amounts are included in Appropriations by the Department of Cultural Affairs of the City of New York and as charges to utilities and fringe benefits, respectively, on the accompanying Statement of Activities. Wave Hill received approximately 19% of its revenues, gains and other support from the City.

The value of the properties, and costs connected with the restoration and rehabilitation of several of the buildings which were paid directly by the City, are not included in the accompanying financial statements inasmuch as the properties are owned by the City and not by Wave Hill.

During the years ended June 30, 2009 and 2008, the City expended \$225,003 and \$267,259, respectively, for capital projects at Wave Hill. Cumulative capital expenditures made by the City were \$11,562,080 and \$11,337,077 through June 30, 2009 and 2008, respectively. The amounts provided by the Comptroller of the City of New York, for capital expenditures for the year ended June 30, 2009, are preliminary and subject to change upon the release of the Comptroller's annual comprehensive financial report.

Additionally, Wave Hill has expended funds for capital improvements in certain buildings and on the grounds. These capital improvements are also owned by the City.

Expenditures made by Wave Hill for capital improvements and equipment consist of the following:

	June	30,
	2009	2008
Capital improvements	\$3,067,225	\$2,896,233
Equipment	<u>454,295</u> 3,521,520	<u>426,561</u> 3,322,794
Less: accumulated depreciation	(1,327,863)	(1,104,833)
	\$2,193,657	<u>\$2,217,961</u>

NOTE 3 - PLEDGES RECEIVABLE

Pledges receivable at June 30, 2009 consists of amounts obtained by Wave Hill for the renovation of the Wave Hill House. Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discounts on those amounts are computed using risk free interest rates applicable to the years in which the promises are received.

At June 30, 2009 pledges receivable consisted of the following unconditional promises to give:

Capital project pledges Less: unamortized discount	\$1,646,667 (<u>15,599</u>)
Net unconditional promises to give	<u>\$1,631,068</u>
Amounts due in Less than one year One to five years	\$ 971,666
	\$1.646.667

Pledges have been discounted using rates ranging from 1.11% to 1.64%. The capital campaign pledges are restricted for use for costs and expenses for the renovation of the Wave Hill House.

Approximately 42% of total undiscounted pledges, or \$697,000, represents pledges from trustees or other related parties. Of that amount, \$500,000 is pledged by an individual Board Member.

NOTE 4 - FAIR VALUE MEASUREMENTS

Wave Hill has adopted the provisions of Statement 157 which outlines a valuation framework and creates a fair value hierarchy in order to increase the consistency and comparability of fair value measurements. Statement 157 describes the fair value hierarchy as follows:

- Level 1 Inputs are unadjusted quoted prices in active markets for identical assets that can be accessed at the measurement date.
- Level 2 Inputs include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset (i.e., interest rates, yield curves, etc.), and inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- Level 3 Unobservable inputs that reflect assumptions about what market participants would use in pricing the asset. These inputs would be based on the best information available, including the Organization's own data.

The following table shows the fair value of Wave Hill's financial assets consisting of marketable and other securities:

NOTE 5 - ENDOWMENT FUND

The Wave Hill Endowment Fund ("the Fund") Is comprised of assets designated by the Board of Directors to function similar to an endowment, but without the restrictions on principle of a true endowment, unless specifically required by the donor. However, the Board of Directors of Wave Hill has determined that, prudent care by the Board is necessary to preserve the principle of the Fund.

The assets of the Fund are provided by contributions from donors, some of whom have directed that their contribution be used for specific purposes such as education or horticulture. If no designation is made by the donor, the contributions are used for general operating support. It is the intention that these funds remain permanently invested for the purposes for which they have been designated.

NOTE 5 - ENDOWMENT FUND (Continued)

The net assets of the Fund, which are included in the accompanying statement of financial position, are as follows:
